Borage Therapy Foot Cream by Shikai

This aloe-based emollient foot cream was created specifically for people with severely dry and cracked skin. The product contains borage oil, a source of OMEGA-6 fatty acid that is clinically proven to restore healthy skin at the cellular level. Lightweight and unscented, it provides fast relief for chronically dry, itchy heels.

Aveda Foot Relief

This foot cream by Aveda scores top reviews on almost every beauty site. Rich and cooling, its active ingredients include salicylic acid to help kill bacteria and slough off dead skin cells and plant-derived oils to soften and moisturize rough patches. Plus, its peppermint-herbal scent is light and refreshing.
